WHY Welspun^W ?

Textile Leadership

India's top Home Textile brand.

Export Quality Products

Trusted worldwide for superior quality and craftsmanship.

Farm to Shelf

Capabilities from design to manufacturing.

Innovation: 46 Patents

Cutting-edge fabric technology.

Weaving a Sustainability Revolution

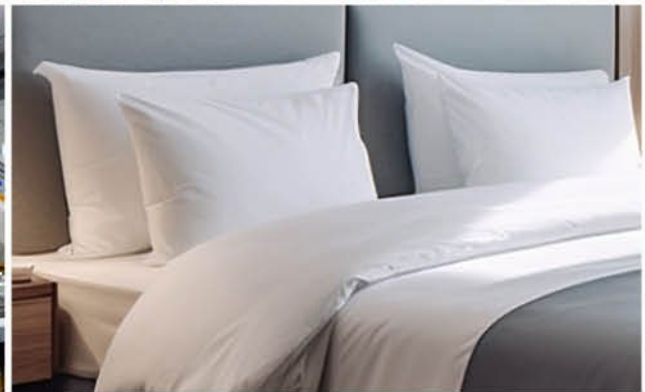

Zero fresh water used for textile manufacturing.

WEL-TRAK® TECHNOLOGY

Welspun® has also realigned its processes to become a beacon of supply-chain transparency, which will appeal to a new generation of consumers who care about provenance. This includes the introduction of WEL-TRAK®, a patented and industry-defining solution that delivers end-to-end product traceability. WEL-TRAK® is showing substantial traction, now contributing to almost 3% of our revenue.

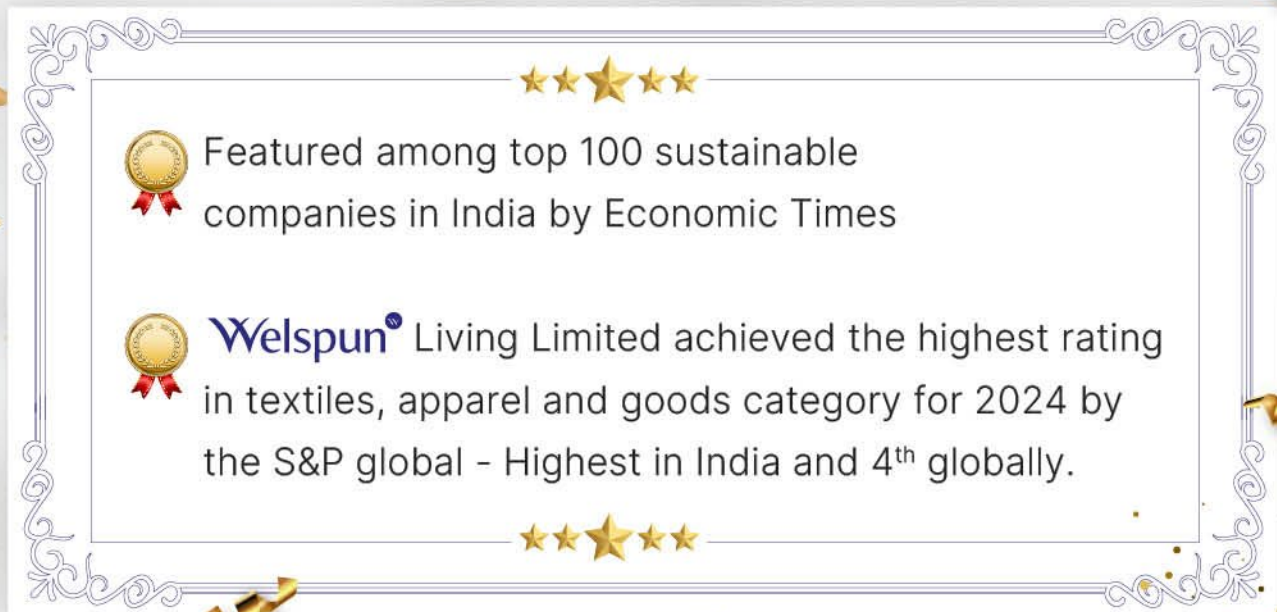

SUSTAINABILITY AGENDA

Ranked #1 in India and #4 globally by S&P.

At **Welspun** sustainability and circularity are not just commitments but the foundation of our innovation. **We** embed eco-conscious practices across our value chain - from sourcing to manufacturing, supply chain, and waste recycling - ensuring a balance between today's needs and a sustainable future.

-  **223069+ acres**
Land bank of sustainable cotton farming
-  **7+ billion**
liters of water recycled annually
-  **56807+ tons**
CO₂ saved annually through energy conservation
-  **350000+**
trees planted to improve green cover
-  **100%**
carton usage with recycled paper

“
Together, we are not just envisioning a better world; we are actively creating it—where prosperity is equitably distributed, communities thrive, & the planet flourishes”

Dipali Goenka,
MD & CEO,
Welspun Living Limited

PROUDLY INDIAN

Welspun® embodies the spirit of the 'Make in India' initiative, crafting world-class home solutions right here in India. **W**ith innovation, quality, and sustainability at our core, we create products that not only elevate Indian homes but are also trusted by millions across the globe. Proudly made in India, designed for the world.
