WHO WE ARE

“

Beardo ensued its journey in the Mens Personal care segment in 2015 with premium ground-breaking beard care products and has colossally risen to get the crown of the #1 Male Grooming Expert in this segment with 200+ top of the line SKUs. A first mover in an industry which was practically unexplored in India at the time, the name of Beardo is now synonymous with high grade innovation. Beardo has gone on to conquer both the online and offline channels. The Beardo.in website caters to over 1.5 million Beardos every month along with a strong presence across every major e-commerce platform & large offline chains such as Spencers, Reliance, Wellness forever to name a few. Its premium grooming services are present in over 15,000 large chain salons across India. Beardo's digital footprint far surpasses others with over 5 million loyal followers, and award-winning digital campaigns that keep raising the bar for others to follow. Beardo's fame is now crossing borders with resounding steps to conquer the globe as well. As the saying goes, 'Anyone can grow a Beard, but not everyone can be a Beardo!'
