Zebronics

the Year Ahead

Redefining the Path Forward

A Brand With a Beat

Since 1997, Zebronics has grown from a humble IT peripherals player into one of India's most trusted consumer electronics brands, from speakers that elevate your party mood to smart home gadgets that simplify your life.

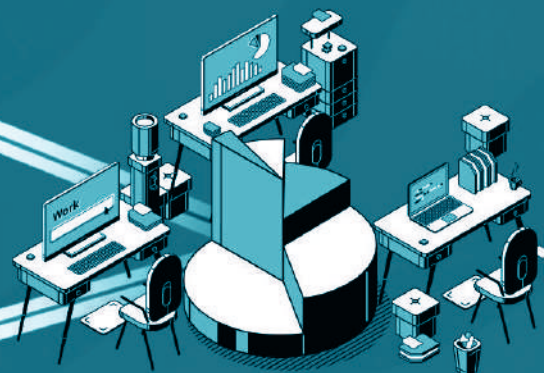

But what truly sets Zebronics apart isn't just products, it's a **mindset**

- **Excellence** - products that don't just function, they perform.
- **Quality** - built to last (and backed by service centres across the nation).
- **Reliability** - because trust isn't given, it's earned.

What Zebronics Stands For

Here's what makes Zebronics tick:

- **Innovation without intimidation** - products that pack next-gen features but stay wonderfully accessible.
- **Presence across India** - available in thousands of retail outlets and supported through 128+ service centres.
- **Proudly Indian** - aligned with Make in India and Aatmanirbhar Bharat initiatives, boosting local manufacturing, design capability, and tech leadership.

Milestones That Matter

Zebronics isn't just about products, it's about progress. Some highlights:

- **110+ industry awards** recognizing innovation, quality and leadership
- A retail footprint across **50,000+ outlets** nationwide.
- A strong workforce driving ideas - over **2000+ passionate Zebees** across offices and centres.
- **Hrithik Roshan & Janhvi Kapoor** as brand ambassadors who represent the energy & aspirations.

More Than Just Gadgets - A Lifestyle Name

What started with PC peripherals has blossomed into a **Full tech ecosystem**:

- **Mobile and lifestyle accessories**
- **Gaming gear built** with performance in mind
- **LED TVs and Home entertainment**
- **Smart home and Appliances**
- **Surveillance and safety technology**
- **Retail outlets, large-format stores and online** supported through more with every category designed to echo the brand's **Always Ahead** promise.
